

DRINKER MOD. SPAIN

Drinker model Spain autofill (ideal for rabbit, pigeons, etc...). Thanks to the internal float, it refills automatically by gravity from the outer container connected by a tube. For assembly, cut the mesh near the tank, and hook onto the mesh.

DATA SHEET

Size	Materials	Indications
12 x 13 x 12h cm bowl 8 x 4,5	Plastic	For assembly, cut the mesh near the tank, and hook onto the mesh.
